

PRE IB COURSE

GET A HEAD START ON THE INTERNATIONAL BACCALAUREATE

The Indus Pre-IB Course covers a range of subjects and focuses on enhancing the overall general academic performance of your child, including the development of a wide array of skills which include critical thinking, writing, research skills, etc. which are prerequisites for success in the IB.

Students will also be exposed to the various subjects offered in the IB, including the Theory of Knowledge and Extended Essay components, and therefore will be able to fine-tune their subject choices and ideal combinations and levels.

The Indus Pre-IB course is immensely useful for students coming from different curricula backgrounds (CBSE, ICSE, State Board, etc), and also gives students used to an international curricula a chance to explore their interests before the academic year commences.
